

LDAP Workshop for Businesses – Adult Safeguarding within the workplace

This is a FREE 1-hour online workshop aimed at giving you the skills and knowledge to spot the signs of abuse and neglect, offering resources and highlighting the types of services available for you as a business.

19th November:
9:30am – 10:30am

For more information and to book a place click [here](#)

This workshop is to be attended by Wellbeing / Mental Health / Safeguarding / Domestic Abuse Champions, or HR staff for example, and is not aimed at making them specialists, however, allowing them to support your employees should they be affected by any of these issues that may be impacting them while at work.
